

AccessPoint™

Equipment Carts

The right cart for the right job.

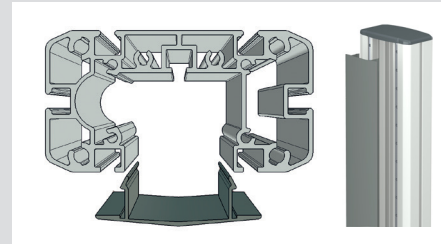

Our modular design provides a high level of flexibility to meet your equipment mobility needs now, or in the future.

Features

- The aluminum construction provides a high load bearing capacity of 65 kg/142 lbs despite the low weight of the cart
- Large platform areas provide ample workspace
- Modular platform allows for easy customization now and in the future
- Conforms with IEC 60601-1 3rd edition
- Custom heights and additional colors available

Smart Cable Management

Close-up: support extrusions center column cable channel

Our center support column provides you with the following benefits:

- Keeps all cords clean and out of sight
- Ensures separate and secure cable routing
- Easy snap-open access to cables at any point in its routing
- Optional column mounted socket strip allows for easy cord control and access
