

*Use The Equipment  
Before Making a Payment*

## **NO PAYMENTS UNTIL 2020!**

---

### **Benefits of Financing**

- Conserve your cash for other revenue-generating activities
- Bundle your entire solution into one low monthly payment
- Simple and quick process with minimal documentation
- Potential tax savings may be available – check with your tax advisor

### **Program Details**

- Special promo valid through December 31, 2019
- No payments due for the first 90 days
- Ability to upgrade or add-on at any point during your contract
- Variety of end-of-term options such as lease-to-own and fair market value financing

### **Simple Process**

1. Start with a one-page Credit Application
2. Once approved, documents will be sent to you
3. Upon receipt of executed documents, your equipment ships
4. You begin using your equipment and monthly payments start after 90 days
